## TIGER PRIDE

Who could've thought  
that two words could provide  
Something called tradition  
when we say "TIGER PRIDE."

"TIGER PRIDE" has a lot  
of meaning to us;  
To win and perform at your best,  
"TIGER PRIDE" is a must.

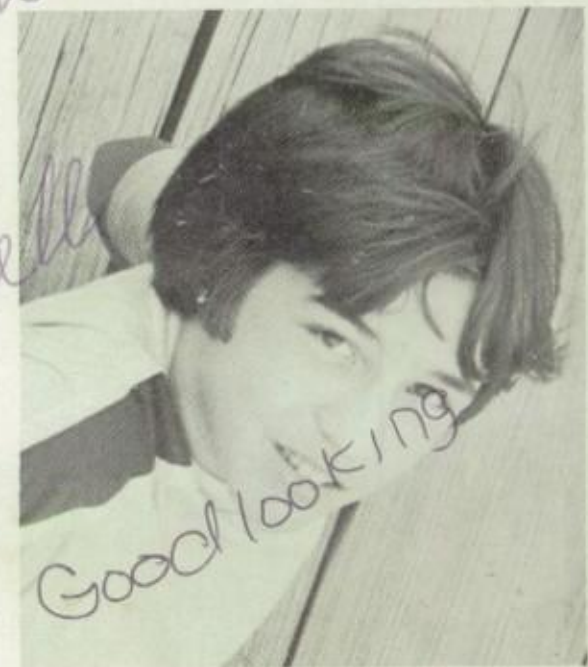

If you don't believe in yourself,  
can you believe in a team?  
Believing and caring are what  
these two words mean!

Not only for coaches  
and players as a rule,  
But the entire establishment  
of this fine school.

So take part and  
begin a new Tide,  
Get things together and  
get some "TIGER PRIDE."

Used by permission

I hope you

## J. D. Parrish

Because of his dedication to the Daingerfield-Lone Star Independent School District, this 1978-1979 edition of the Tiger annual is dedicated to Mr. J. D. Parrish.

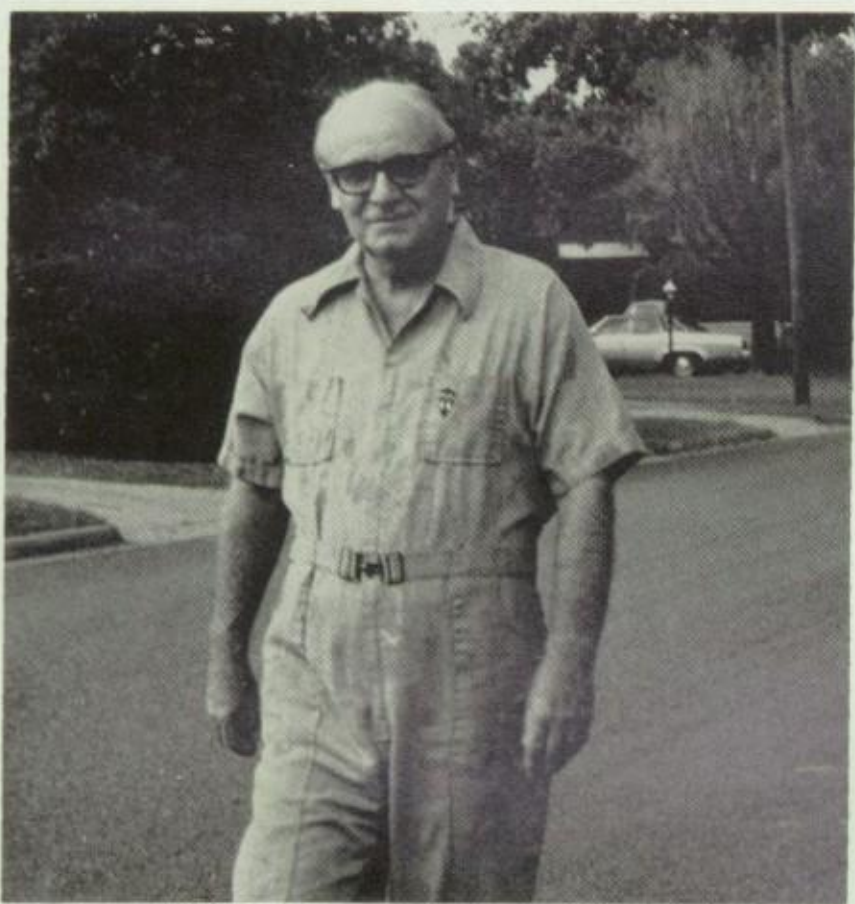

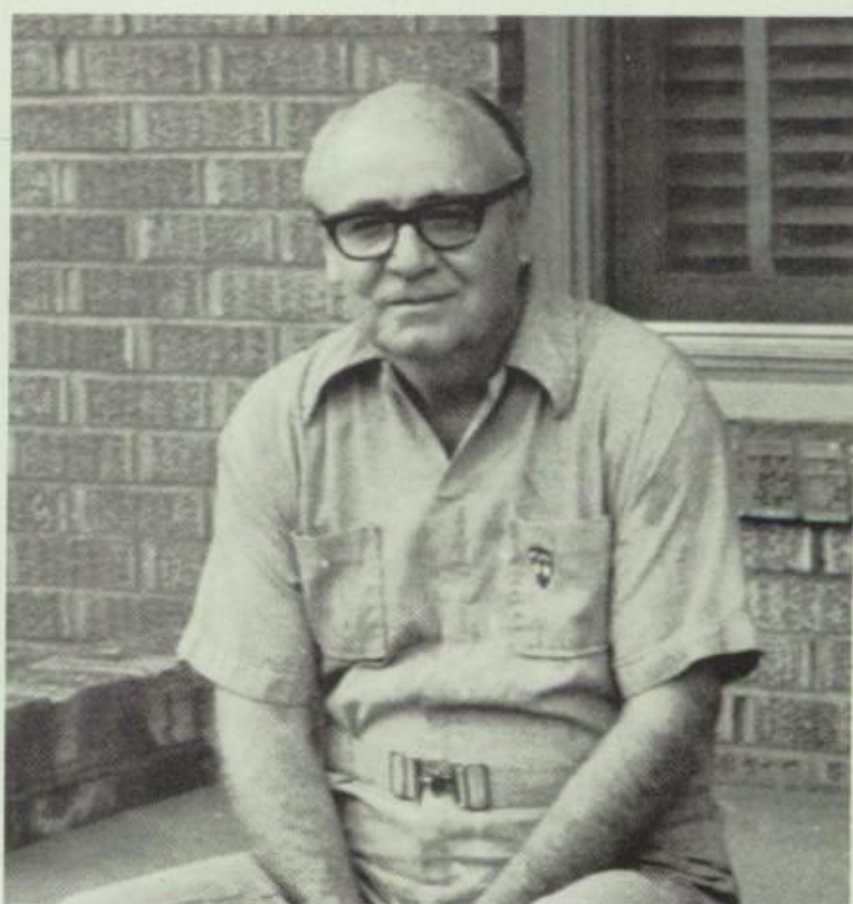

Mr. Parrish, who announced his retirement June 30, 1978, as superintendent of schools, came to this school district in June, 1952, after resigning from the position of County Superintendent of Morris County.

During his reign of superintendent, he was responsible for the construction of all the present school buildings in this district, with the exception of a portion of South Elementary. The school enrollment has also increased from 1296 students to 2292.

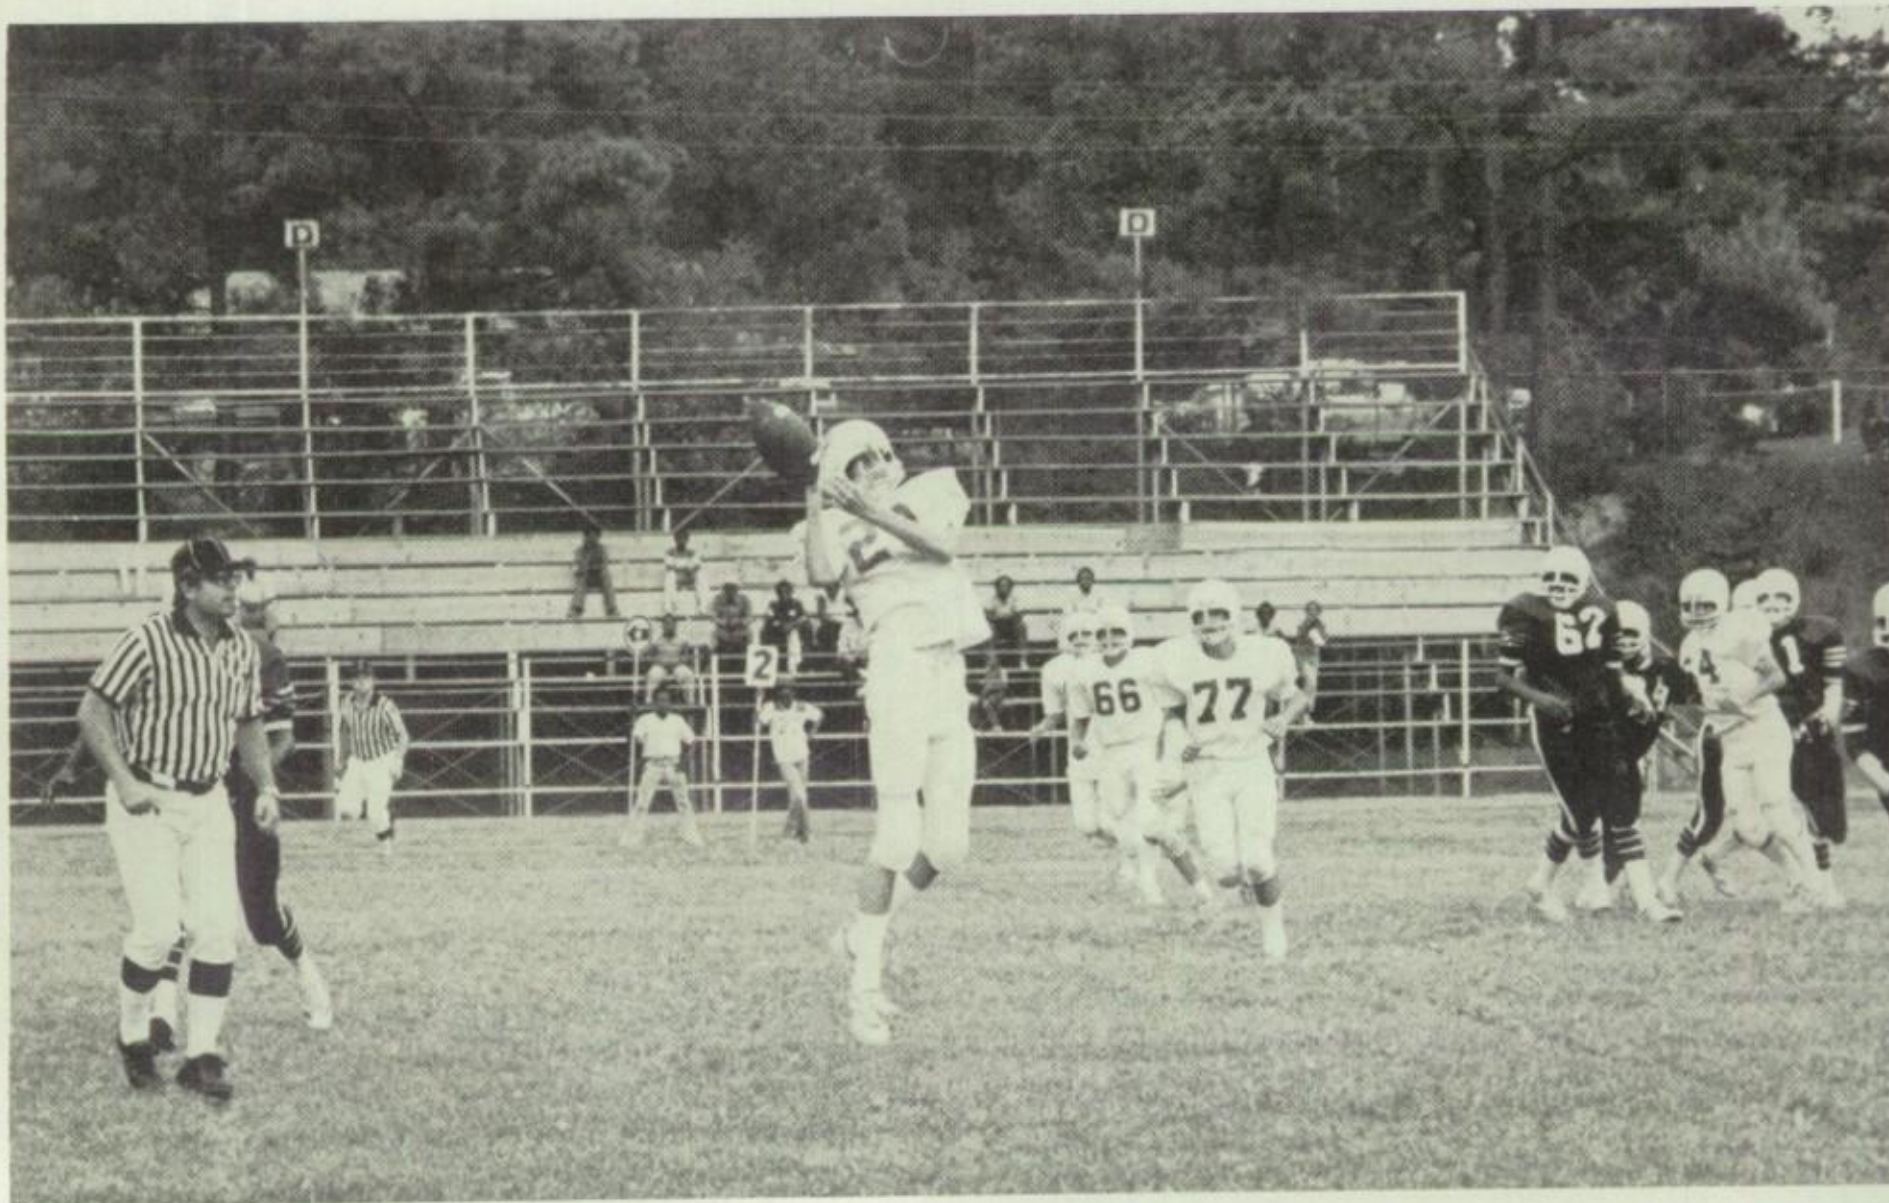

Perhaps the reason that Mr. Parrish was so successful in his job of superintendent is the fact that he was also a teacher. He taught social studies at Chapel Hill School from September, 1937, until January, 1941, when he resigned to take control of the county superintendent post. During this time, Mr. Parrish was also driving a school bus part time and coaching basketball.

Not only has Mr. Parrish been an asset to the Daingerfield-Lone Star ISD, but also to the whole community as well. Mr. Parrish has served well in many capacities, and his contributions to this area will always be appreciated.

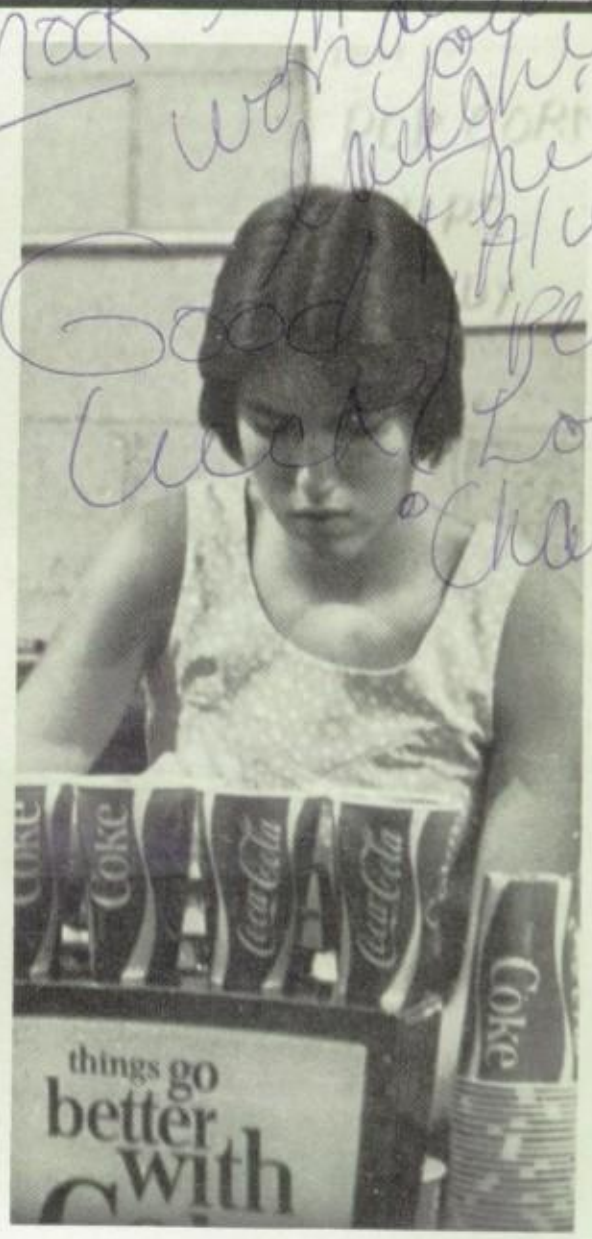

Who could've thought  
that two words could provide  
Something called tradition  
when we say "TIGER PRIDE."

## L. E. Mayne

### Superintendent of Daingerfield-Lone Star I.S.D.

Mr. Lewis E. (Mickey) Mayne is presently serving in his first year as Superintendent of the Daingerfield-Lone Star Independent School District. He was elevated to this position upon the resignation of Mr. J. D. Parrish. Previously, Mr. Mayne was principal of Daingerfield High School for two years.

Upon graduation from the University of Texas, Mr. Mayne joined the Army Air Corps. After his discharge, he played football for the Baltimore Colts and the Cleveland Browns. He later turned from playing football to coaching — coaching in both Winnsboro and Daingerfield schools. In 1963 he became principal of Lindale High School and then returned to Daingerfield as a junior high principal in 1971.

This year the National Honor Society inducted 32 new members. At the induction ceremony, each officer explained the meaning of leadership, service, character, and scholarship. These are the qualities each member should try to uphold. The members then lit a candle signifying knowledge, repeated the oath of the National Honor Society, and received membership cards.

After the successful production of "My Fair Lady" the D.H.S. Drama Department did a cutting from "Pygmalion", the play from which the musical "My Fair Lady" was taken. With a lot of hard work and a little bit of luck, the play won District and Area contests, and advanced to Regional competition. Ronald Carson and Rosie Manna won numerous best actor and best actress awards with the rest of the cast winning places on the all-star cast.
